Portrait Painting Class

Novice to Advanced

This class focuses primarily on a classic oil painting technique called “alla-prima” (one-day sitting), where the students learn to apply the paint thick and fast, reminiscent of Sargent, William Merritt Chase and Chardin. Students will be instructed on identifying color and form and transcribing them onto the canvas. The course includes at least two different subjects and each class features discussions, materials and demonstrations.

8 Classes 249.00 plus model fees

Where: 2408 Acacia Rd., Port Republic, MD
(15 miles. N. of Solomons, MD and 50 miles. S. of Washington, D.C.)

Please drop off or send check to the above address to hold your spot.
